Part of the broadest network of distribution centers across Mexico & North America

Our new León Guanajuato distribution center is located in central Mexico, along the country's best highway system. The facility is just 10 minutes from the International Airport of Bajío, and 35 km from Silao, Guanajuato automotive & industrial city. The transit time to Mexico City is four hours from our Distribution Center and 2.5 hours to Guadalajara. Toll paid roads run between Leon and the principal ports of Mexico like Manzanillo (on the pacific) and Altamira (on the Gulf). From this central location, our distribution center provide the perfect solution for all our customers located in Aguascalientes, San Luis Potosi, Silo, Celaya, Querétaro and Guanajuato.

The León facility is one of the 12 Kuehne + Nagel distribution centers located across Mexico and at the U.S. border and one of 60 Kuehne + Nagel NAFTA DCs. All Mexico facilities ensure the strictest quality control standards in a variable-cost environment where customers pay only for the space and services used.

Warehousing services are part of a complete package of logistics services that also includes:

- **International Forwarding and Trade Compliance.**
Flexible solutions for Sea, Air and Overland transportation from one of the world's largest and most experienced freight forwarders.
- **Distribution.**
Multi-mode, non-asset-based transportation management service for inbound and outbound domestic shipments.
