## Part of the broadest network of distribution centers across Mexico & North America

In business for the past 12 years, the Laredo, Texas, Distribution Center is highly experienced at logistics solutions involving Mexico. The DC is located in the largest inland port in the United States, and is just minutes from the World Trade Bridge and the Colombia Solidarity Bridge. Kuehne + Nagel's Laredo facility is strategically located to ensure timely deliveries to and from Mexico.

The Laredo facility is one of ten Kuehne + Nagel distribution centers located across the Mexico and U.S. border. It is also one of 60 Kuehne + Nagel NAFTA DCs. All Mexico facilities apply the strictest quality control standards in a variable-cost environment where customers pay only for the space and services used.

Warehousing services are part of a complete package of logistics services that also include:

- **International Forwarding and Trade Compliance**  
Flexible solutions for sea, air and overland transportation from one of the world's largest and most experienced freight forwarders.
- **Distribution**  
Multi-mode, non-asset-based transportation management service for inbound and outbound domestic shipments.
- **In-House Mexican Customs Brokerage**  
Two Mexican Customs tariff classifiers and a *pedimento* processing staff is on hand to streamline revision, classification and *pedimento* processing/printing of south and northbound shipments.
